

Dear Exhibitors,

Thank you for attending **WaterWORKS 2026**! We are looking forward to welcoming around 300 students and 100 members of the public including college students, job seekers, and entrepreneurs.

Our event will span three buildings this year: Tilden Art Center (bldg. #1), Frank and Maureen Wilkens Science and Engineering Center (bldg. #6), and Grossman Commons (bldg. #7).

Included in this packet are a list of table assignments, map of Cape Cod Community College Campus, and detailed maps of two floors of the Sci and Eng Center, Tilden, and Grossman. You have been assigned a table number. Please look up your location so you know which building you are in before arriving on Tuesday, January 13.

Set up begins at 8am. We encourage everyone to arrive early to allow yourself time to set up before students start exploring the space at 9:45am. We have specific loading zones for exhibitors. Turn left into the center of campus across from Lot 9 and look for one of our volunteers to help guide you to your building. After dropping off your materials, follow the one-way lane behind buildings 7 & 6, and park in lot 7.

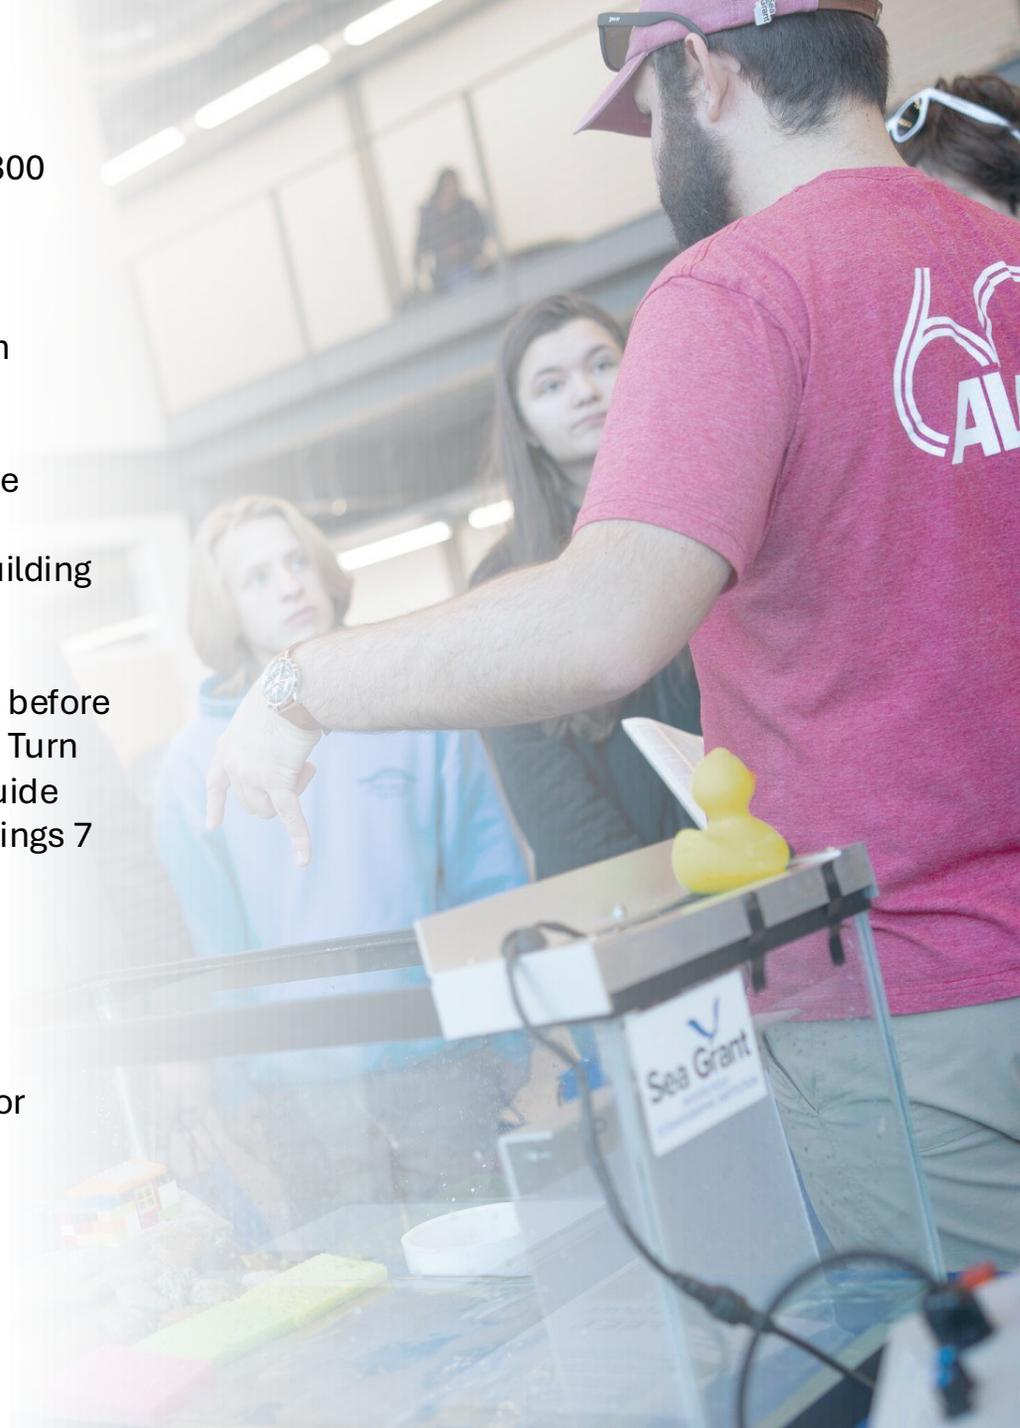

More detailed instructions and information are on this website:

<https://bluecapecod.org/waterworks-exhibitor-info>.

If you have any questions, please reach out to Katy by email to katy@capecodchamber.org or call/text 508-744-5564.

We're excited to see you on Tuesday!

Katy & the Cape Cod Blue Economy Foundation
